OTTAWA, MAY 1.—W. D. Peley, M. P., has arranged with Mr. Burgess, Deputy Minister of the Interior, and Mr. H. H. Smith, Dominion Lands Commissioner, that settlers who could not pay the principal or interest on their pre-emptions, as demanded by the Department, can have an extension of time by writing the Commissioner, at Winnipeg.

The full text of the Northwest Territories Representation Bill is now before the House. The new Assembly will consist of twenty-two elected members and more than three hundred experts. The duration of Assembly is three years. Manhood suffrage is instituted. Every male British subject, either by birth or naturalization, other than an unenfranchised Indian, who has attained the full age of twenty-one years and resided in the Territories at least one year, being entitled to vote. A deposit of \$100 will be required from each candidate at the nomination.

In the Senate, on a motion for third reading on Bill for incorporation of New Academy, Prince Albert, Mr. Power took exception to the Bill, on the ground that it was a purely local measure and thought it came entirely under the jurisdiction of the Lieutenant-Governor-in-Council. The Hon. Mr. Abbott contended that the Bill was more than a local measure. It was read a third time.

WINNIPEG, MAY 2.—A Bill was passed in the Dominion House today respecting the advertising of counterfeit money.

In the election for West Kent today to fill the vacancy in the Commons, caused by the unseating of Arch. Campbell, Liberal. That gentleman was again returned by a majority of 85 over Smythe, the Conservative.

The Emperor is still improving. The fever is decreasing.

OTTAWA, April 29.—M. Gaudet, M. P. for Nicolet, Que., died to-night. This is the ninth death which has occurred since the general election.

The government intends making vigorous efforts to push business in order that prorogation will take place before the 24th of May.

In addition to the items of the supplementary estimates voted from Ottawa a few days ago, \$3,000 have been voted for additional pensions for the N. W. M. P. and Prince Albert volunteers, who took part in the rebellion.

It is decided, for the present, that Sir John will administer the Indian Department and the Hon. Mr. Thompson the Interior Department.

The Hon. Mr. Pope is considerably better. He attended a meeting of the Cabinet last night.

Sir Chas. Tupper laid on the table a copy of the Hon. Mr. Pope's report on the Manitoba railway question and a text of the argument between the government and C. F. R. He refers to the reluctance of the Government to change its policy in respect to roads south of the C. F. R. on the grounds that there was danger of the trade of the Northwest being diverted into a foreign country. He stated that within the last twelve months the conditions had been greatly changed, the company having completed its road and an unexpectedly large yield of cereals having occurred to carry away, to do which the company was found to be inadequate and the storage facilities being also inadequate, negotiations were entered into with the company for the abandonment of its monopoly clause forthwith.

OTTAWA, April 30.—In the House, today, Mr. Mills asked if the Northwest will be represented. Sir John replied that it would be distributed at once, the delay had occurred in fixing the bound areas of the constituencies.

Very little survey work will be done this season. A survey of the trail from Carlton to Green Lake will be made.

Winnipeg, May 1.—The Morning Call has reduced its subscription fee from \$10 to \$5 per annum.

The Emperor's condition is unchanged. He rested very quietly last night.

Mr. J. H. Bates, who controls one of the largest advertising agencies in the world has moved his business premises from No. 41 to No. 38 Park Row, New York. Owing to the well known reputation of this house we need not say more than that we heartily wish Mr. Bates the success he so well merits in his business.

Flower, Field and Garden Seeds at Medical Hall.

A petition is in circulation asking the Town Council to lay a sidewalk from Clark's to Jackson's drug store, the property owners on that portion of the street paying half and the council bearing the remainder of the expense. We trust the council will take immediate steps towards making this much needed improvement.

A beautiful bright lay station is being travelled through part of the country by Mr. Patterson. This horse is from the Royal George stock, stands seventeen hands high, has an elegant action and can trot a mile in less than three minutes. He is a pedigreed animal and a great acquisition to this section of the country.

Dutch Set Onions at Clark's Drug Store.

Staff Sergeant Hy. Kennan, N.W. M. P., is under orders to go to Moscow to take charge of that detachment post. It is almost ten years since Sgt. Kennan first came to Prince Albert and although he has been sent away several times he always found his way back. Mr. Kennan is a lady highly respected here and one who will be greatly missed.

The ice in the river began to break up and move out on Monday last and on Tuesday very little ice was running, which indicated that a jam had taken place somewhere above this, as it usually takes more than two days to clear. On Wednesday the jam broke away and the ice and water came down with a mighty rush almost overflowing the banks in some places.

Blue stone cheap for cash at the Medical Hall.

Owing to ill health, Mr. A. L. Sifton and family have decided to remove to and reside for the present, in Honolulu, California. We very much regret Mr. Sifton's departure and hope he will succeed both in renewed health and wealth. The members of the Liberal Association presented him, who was their secretary, on the eve of his departure, with a numerously signed memorial.
